LET'S ALL CREEP THROUGH CROCODILE CREEK

Jonny Lambert

Maths:

Your child will be developing their sense of 'number' through singing number songs and playing number games and exploring number in their environment.

Personal Social & Emotional Development:

Your child will explore how they are unique and special and value themselves as an individual. They will learn about being confident in speaking about themselves; their wants, likes and dislikes.

Literacy:

Your child will take part in songs and rhymes to develop their skills in 'hearing' sounds. Their love of stories and books will be nurtured through lots of story time sessions and there will be lots of opportunities for mark making both indoors and out!

Communication and Language:

Your child will have a wealth of opportunities to build confidence and develop their language skills through role play, small world and stories, rhymes and song.

Understanding the World:

They will explore the world around them; learning about the changes in seasons and weather. They will learn about animals and their habitats..

Expressive Art and Design:

They will be exploring colour, texture and different ways to mark make. They will be joining in singing and performing songs and rhymes using instruments.

Physical development:

Your child will have lots of opportunity to develop their strength, balance, coordination and agility through dance and games. They will be take part in Dough Disco which will strengthen their hand and finger muscles in preparation for early writing.
